

Mahr | Product of the Month August 2021

Special Offer:

MarCal 16 FN – Set of 3

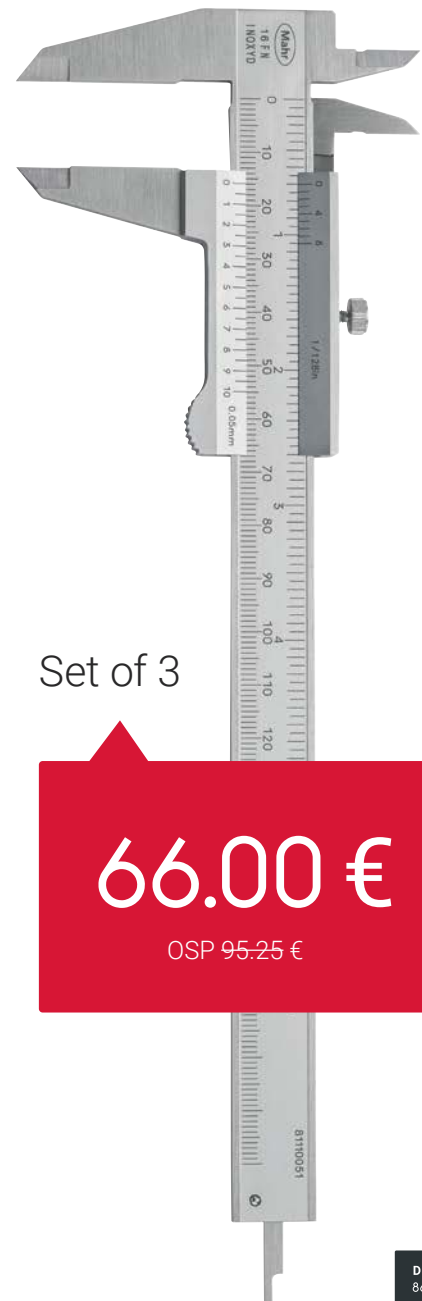

Caliper with scale display for the workshop and production floor use

The mechanical Vernier caliper MarCal 16 FN is extremely user friendly and equipped with high quality features: Raised guide-ways protect the scale from wear. In addition, the MarCal 16 FN is characterized by its precisely lapped guide surfaces, which ensure optimal and consistent smooth gliding. The measuring surfaces, slide and rail are made of hardened stainless steel. The scale on the back of the slider is laser etched to guard against wear fading. Storage case included.

Top features:

- Outstanding guiding and sliding properties
- Durable finish for the highest demands
- Matt chrome-plated vernier and scale for glare-free reading
